## Education

### Vancouver Film School

**January 2018 - December 2018**

Graduated studies in 3D Animation and Visual Effects, with specialisation in Visual Effects (using Nuke). Working in a studio environment on personal, as well as team projects, utilising individual strengths to achieve desired results and meet deadlines.

### Stadtteilschule Bergedorf, Hamburg

**September 2014 - June 2016**

German high school degree (Abitur). Specialisation in journalism with focus on history. Research and the conduction of interviews with time witnesses of the second world war.

## Additional Experiences

Before and around my studies, I had the chance to full- and part-time work for different companies outside of my industry: Customer Service in German and English for Rakuten Kobo, Sales Associate for Old Navy, Grocery Store Clerk for EDEKA. Though not relevant for my current work, these jobs shaped me on a more personal level and should be mentioned.
